

# Sillanki

## RESERVA

### Chardonnay

#### TASTING NOTE

Our Chardonnay is bright, clear golden yellow in color. The nose is delicate, with subtle notes of tropical fruit and white flowers. Its slightly mineral profile adds complexity. Nice and elegantly acidic. Fresh in the nose and mouth. Excellent as aperitif on a sunny afternoon by the poolside or the beach. Very nice with salmon, steamed seafood and light-flavored cheeses.

Serving temperature: 8°C.

#### DESCRIPTION

Vintage: 2019  
Valley : Maule  
Variety : 100% Chardonnay

#### VINEYARD

Estate : Vineyards located in San Juan de la Sierra; planted mostly with NW exposition using VSP training techniques and drip irrigation.  
Soil : Fertile, very deep soil with far-reaching roots and mostly composed of clay, rocks and sand.  
Harvest : Mechanized night-time harvest beginning the first week of March.

#### VINIFICATION

Fermentation: Fermentation in stainless steel tanks at an average temperature of 12°C.  
Aging : Sediment removal during decantation and fine lees during post-fermentation.
